Young Artist 2019-2021

Have you ever considered bringing an NFMC Young Artist to your community? NFMC has talented Young Artists, and the Ellis Piano Duo, which are available to bring to your community and state. Here are the steps you need to take:

1. Provide a venue with a properly tuned grand piano of a high quality.
2. Pay the artist \$300 (\$1000 for non-Federation events) and provide travel, lodging and meals.
3. Pay the Ellis Duo \$600 (\$1000 for non-Federation events) and provide travel, lodging and meals.
(In addition, NFMC will pay the Young Artist and Ellis Duo performers an additional \$200 directly to them, as long as funds are available.)
4. Pay the accompanist \$200 and provide travel, lodging and meals (OR provide a local accompanist.)
(In addition, NFMC will pay the accompanist an additional \$100 directly after the concert, if requested, as long as funds are available.)
5. If desired, pay the artist \$150 for a masterclass/workshop (in addition to the concert fee).

To inquire about bringing an artist to your area, contact the above listed Presentations Chairman with the following information.
