Regional Chairs: MIP has a \$50/region award, beginning with the 2025/26 reporting year.

State Chairs are asked to make the determination if one of their Senior Clubs is deserving of recognition. If they have a stand-out, they are asked to send that clubs individual report, along with supporting materials, to support that recommendation.

Please list the states and their recommended club, along with their contact information. Use the MIP rubric to give each recommended club a score. A club must receive a score of Excellent or above to be eligible for the award.

The top ranked club will receive the \$50 award. The remaining clubs will receive a 'Certificate of Excellence' from the MIP Chair and they will be mentioned in the MIP national report.

Please note: Any reports you receive after the posted deadlines are not eligible for any awards. Clubs mentioned in those reports can receive a Certificate acknowledging their participation.

Send reports to the National Chair to be postmarked by May 1st or received by email by May 5th.
