

NFMC DANCE DEPARTMENT - JUDGE'S RATING SHEET

JR 17-3

Judge's Instructions:

You will receive a rating sheet for each individual entrant. Be sure the requested information is given: entrant's code letter indicating order of viewing performance, cassettes, entrant's age and years of study.

It is very important to give constructive criticism on this sheet. Keep all of these individual reports sheets until the auditions are finished. Although the audition is against a standard, the performance of all entrants must be compared in order to decide the relative standings: 1, 2, 3, 4, etc. You may arrive at your own conclusion through a percentage method, but please do not record such markings on your report sheet.
