

APPLICATION FOR ASSOCIATE ORGANIZATION MEMBERSHIP

ME 4-2

Associate Organization membership encompasses all age groups formed for the purpose of promoting a specific music project, such as community choral societies, orchestras/orchestra associations, opera companies/opera guilds, music teachers’ organizations, local alumni chapters of music, fraternities or sororities, church choirs/orchestras/bands, hand bell choirs, school bands, orchestras and choruses, groups dedicated to the promotion of a concert series in their own community and similar music organizations. **The Associate membership also includes mass enrollment in public, private, or magnet school music programs.**

NOTE: *Individual members of Associate Groups are eligible to apply for NFMC competitions and awards, but individual members of Associate Groups are not eligible for participation in NFMC Festivals. Junior entrants must be a member of a Junior Club or be a Junior Individual Member. (Refer to Article III, Section 5) Group entrants (i.e. school orchestras, choral groups, etc) may be associate members of the State and National Federations. Junior Associate Group Membership entitles the Group (not individual members of the group) to participate in Festival.*

Associate Organizations may include both Junior (under 19 years of age) and Senior members (No age range).

JUNIOR members in any Associate organization will be eligible to apply for awards offered in the Junior Division. SENIOR members of any Associate organization will be eligible to apply for awards offered in the Senior Division. STUDENT/COLLEGIATE (mass enrollment) members of any Associate organization will be eligible to apply for awards offered in the Student/Collegiate Division.
