

NFMC NORTHEASTERN REGION FEDERATION DAYS took place July 20-21, 2025 at Chautauqua Suites in Mayville, NY and Chautauqua Institution in Chautauqua, NY. This was the 81st year for the NFMC NE REGION to meet at Chautauqua Institution. We had 15 attendees from MI, OH, and PA for our meeting on Saturday morning, 18 for lunch and a total of 19 attendees for events at Chautauqua Institution. Our total number was less than the previous year, but we look forward to an increase for the 2026 gathering.

Eight students from the Chautauqua School of Music received NFMC Summer Music Center Awards, totaling \$12,200. The total includes 3 state endowed awards. The state of Indiana continues to award the Leslie Bryan Jr & Peggy Hoover Bryan Voice Award through the Indiana Arts Festival. The Saturday student recital included pianist Ryan Zhang, Pennsylvania Award recipient. We look forward to hearing all NFMC Award recipients perform for 2026 NE Region Federation Days scheduled for July 11-12.

The NE Region is proud to congratulate Kirat Agrawal – OH; Flora Bilott – PA; Ian Hong – MI; Yuvica Rateshwar – NJ. for participating in the NMW Essay Contest. The juniors are the future of NFMC – let's encourage their participation!

Kudos to PFMC President Kristin Ivers for sharing special programs by PFMC Senior Clubs. Let's keep our Northeastern Region in the news.
