2025-2026 NFMC Treasurer's Report

As NFMC Treasurer, I oversee the Competition and Awards Account while Headquarters maintain our Operational Accounts. I have all the fun! Dispersing monetary awards and congratulatory letters to deserving winners is gratifying. The winners' hours of practice and dedication are rewarded when recognized by Regional and National tributes.

Special gratitude must be expressed to Ashley Mattingly, NFMC Office Manager, and Tracy Hernandez, Assistant Office Manager, for their competent assistance along the way. In addition, teamwork by our President, Deborah Freeman, Competition and Awards Division Chair, Lucinda Lear, Finance Chair, Carolyn Nelson, and First Vice President, Heidi Hong is much appreciated.
